

CHAPTER 33-04-14
COPIES OF DATA FROM VITAL RECORDS

Section

33-04-14-01

General Provisions

33-04-14-01. General provisions.

1. Full or short form certified copies of vital records may be made by mechanical, electronic, or other reproductive processes, except that information contained in the "confidential information for medical and health use only" section of vital records on birth and fetal death certificates shall not be included.
2. When a certified copy is issued, each certification shall be signed and certified as a true copy by the officer in whose custody the record is entrusted and shall include the date issued, the name of the issuing officer, the state registrar's signature or an authorized facsimile thereof (or the same for the deputy state registrar), and the seal of the issuing office shall be affixed thereon.
3. When the state registrar finds evidence that a certificate was registered through misrepresentation or fraud, the state registrar shall have authority to withhold the issuance of a certified copy of such certificate until a court determination of the facts has been made.
